## The London Oratorians

### Chairman's AGM Report 18 September 2019

Welcome to the eleventh AGM of the London Oratorians.

Another year of events has passed and these have included a quiz night, Gala Dinner, golf day and Headmaster's XV rugby match. All events have been well supported and I would like to thank all those involved in both supporting and organising the events and those kind donations received as prizes for raffles and auctions.

Having served as Chairman to the association for the past eleven years, I have now decided it is time for me to step down due to increased work commitments. I would like to thank all those who have served on the organising committee of the association during those eleven years, I have enjoyed every minute of it and wish those who continue every success in making this a vibrant and thriving alumni association.

The success of the alumni should also be in the way those members support this wonderful school as they make their way in life, ensuring it continues to be able to go that little bit further than other schools in providing an excellent well balanced education in some of the best facilities available.

There are a number of ways to give and I would encourage you all to visit the association website for the Pupil Support Fund **[www.thelondonoratorians.org](http://www.thelondonoratorians.org)** and the school's Charitable Foundation's website page **[www.london-oratory.org/foundation](http://www.london-oratory.org/foundation)** to find out what is trying to be achieved in terms of the projects. Please take the time to register and help if you can.

The main purpose of the London Oratorians however is not to be a fund raising organisation, it is to engender a sense of belonging and comradery amongst the people within the community of the school, from past and present pupils to parents to staff. We can get out of it as much as everyone is prepared to put in.

With that in mind I close as I usually do; the Association is your association, so anyone who has any ideas for future events or wants to become involved in the organising committee should contact me on the email address below. It would great to see some "youngsters" joining in, as well as some of the girls who have played just as an important part as the boys in making this school great.

Thank you.

Marc Dodd
